

Tool Kit, Carpenter's, Engineer Platoon

SC: 5180-95-B73
NSN: 5180-00-293-2873
LIN: W34511

System Description

Engineer Construction Set: Carpenter Support supports a platoon sized element with battery powered, carpentry hand tools to increase productivity at remote sites. Provides COTS items with extended warranties in an instant inventory storage configuration. Components include three 1/2" hammer/drill/drivers, three 5-3/8" circular saws, a reciprocating saw, a variable speed jig saw, transport bags, and selected hand tools. Contains small generator and encapsulated battery recharging station plus extension cord.

This system is not currently in reset.
